Heals Sores

Very Quickly

Mr. E. C. Fox, prominent merchant of Nashville, says, "I have never seen any kind of sore or eruption of the skin that Meadors' Antiseptic would not heal. I don't see why every mother doesn't have a bottle of it in her home. Her children are always getting burned or have sore throats. I would not take \$100.00 for the bottle I now have if I couldn't get another." It is a real household necessity.

Meadors' Antiseptic

Is a formula of an old English physician, and has been used for over 100 years. Mind you, it is not a liniment, but a germ killer with strong healing powers. It is put up in 50c and \$1.00 bottles. Get it at your druggist. If he can not supply you, write us direct.

HEALTH BETTER THAN IN YEARS

Wouldn't Take \$1,000 for What Meritone Has Done for Him

"I feel better than for five years since I've been taking Meritone and I want to let others know what this medicine has done for me," said W. R. Kirkpatrick, of 5102 Illinois avenue, West Nashville.

"For five years I was bothered with a soreness in my stomach and pains in my leg and I think I tried every medicine on the market, but nothing gave me relief. Why, I've got a bushel basket of empty bottles of medicine I've taken."

"Meritone is the first thing that really helped me. I've taken one bottle now and it has made me feel better than for five years and I wouldn't take \$1,000 for what Meritone did for me. In fact, this one bottle of Meritone has done me more good than all other medicines put together."

"I'm going to tell all my friends about Meritone."

The fame of Meritone has spread with such astounding rapidity and such marvelous sales have been made that old and experienced drug men are amazed, but it's all due to Meritone's real merit.

Meritone is excellent for stomach, liver or kidney trouble, catarrh, rheumatism, nervousness or for building up a strong system.

Meritone is sold in Cookeville at Wyly's Drug Store and also at the West Side Drug Store.
